

Release Notes

Details Software-Version: Main 25.15: Dec. 2021

A new version of mower software has been released for the affected models:

Model	Serial Range
SILENO (R100Li)	2016 and newer
SILENO (R200Li)	2016 and newer
SILENO+ (R130Li)	2016 and newer
SILENO+ (R160Li)	2016 and newer
smart SILENO (R100LiC)	2016 and newer
smart SILENO+ (R130LiC)	2016 and newer
smart SILENO+ (R160LiC)	2016 and newer
smart SILENO+ (R200LiC)	2016 and newer

The software includes the following changes:

- Charging current supervision
Check if charging current is as expected. If this is not the case, the mower will dock again (up to 8 times). If still not as expected, the mower will show error 30 (charging system error).
- All models have Sensor Control.
- Support for ZoneProtect Art. No. 15021 (coming during season 2022).
- Support for new security code handling at los PIN code (256byte).
- Bug fixes.

We recommend bringing the robotic lawnmower up to date with the latest software update.

Release Notes

Details Software-Version: Main 10.40: March 2021

A new version of mower software has been released for the affected models:

Model	Serial Range
SILENO (R100Li)	All
SILENO (R200Li)	All
SILENO+ (R130Li)	All
SILENO+ (R160Li)	All
smart SILENO (R100LiC)	All
smart SILENO+ (R130LiC)	All
smart SILENO+ (R160LiC)	All
smart SILENO+ (R180LiC)	All
smart SILENO+ (R200LiC)	All

The software includes the following changes:

- Product improvements and firmware fixes.
- Support for the new model smart SILENO+ (R180LiC).

We recommend bringing the robotic lawnmower up to date with the latest software update.

Release Notes

Details Software-Version: Main 10.38: Oct. 2020

A new version of mower software has been released for the affected models:

Model	Serial Range
SILENO (R100Li)	All
SILENO (R200Li)	All
SILENO+ (R130Li)	All
SILENO+ (R160Li)	All
smart SILENO (R100LiC)	All
smart SILENO+ (R130LiC)	All
smart SILENO+ (R160LiC)	All
smart SILENO+ (R200LiC)	All

The software includes the following changes:

Smart SILENO:

- Occasional error when mower was on standby for a longer time is fixed now.

All mowers:

- Improvements in dealing with obstacles.
- Several minor improvements.

We recommend bringing the robotic lawnmower up to date with the latest software update.
